MANAGER WELCOME

Welcome to September. School holidays are just about here again so hopefully we can turn on some sunshine and some great spring weather for everyone to enjoy after the extremely cold and wet winter we have experienced.

You will notice on your next visit the creek is back up to its normal level again, looking much better, all ready for our warm weather to arrive. You will also notice that alot of the reeds at the end of the streets in the Park have now been cleared, while the creek was down Darren and Max were out in the canoes clearing as much as they could and I'm sure you would agree how fantastic it looks now.

The Park is looking great at the moment, with all the rain it has greened things up, trees are starting to shoot, landscaping down around the new annual holiday cabins is complete preparations are going great getting everything ready for spring/summer for all to enjoy.

Darren, myself and the kids will be off for a couple of weeks in September for our annual holiday. Jeff & Lisa will be back holding the fort with Max and Karlene while we are away so please if you need

assistance of any kind or there are any maintenance issues you feel need addressing please do not hesitate to ask.

Have a great month, take care and look forward to seeing you all on your next visit.

ANNUAL SITE INFORMATION

Annual site holders, we require all annuals to have their vans/sites numbered, most of you have your site number displayed but for those who don't if you could please organise to have this done as soon as possible it would be much appreciated. Please don't hesitate to contact us if you have any questions regarding this.

Thanking you Management
